## **Part 2**

### **Aims and objectives**

Please read the guidance document *Statement of purpose: Guidance for providers*.

### **Aims and objectives**

*What are your aims and objectives in providing the regulated activities and locations shown in part 3 of this statement of purpose*

Strategic Framework:

Northern Lincolnshire & Goole NHS Foundation Trust aims to provide the very best accessible healthcare to our local population. We aspire to do this through delivery of our Values of - Kindness, Courage, Respect - which were crafted by staff at all levels from within the organisation. These values, recently launched, form the central part of our organisation's commitment to be the best and deliver services in line with these values

Kindness: We believe kindness is shown by caring as we would care for our loved ones

- I will be compassionate, courteous and helpful at all times
- I will be empathetic, giving my full and undivided attention
- I will show I care by being calm, professional and considerate at all times

Courage: We believe courage is the strength to do things differently and stand up for what's right

- I will be positively involved in doing things differently to improve our services
- I will challenge poor behaviour when I see it, hear it or feel it
- I will speak up when I see anything which concerns me

Respect: We believe respect is having due regard for the feelings, contribution and achievements of others

- I will be open and honest and do what I say
- I will listen to and involve others so we can be the best we can be
- I will celebrate and appreciate the successes of others

Our values directly relate to and are the basis for our vision (our purpose), aims and strategic objectives:

Vision: Committed to caring for you

Aims:

- Right care, right place, right time

- Whole system thinking, whole system practice
- Deliver patient centred care
- Consider transformation where appropriate

Strategic Objectives:

1. To give great care:

- never compromise on safety
- give care which works and is clinically proven
- work on what matters to patients
- always seek to learn and make improvements

2. To be a good employer:

- develop a skilled and motivated workforce
- promote staff wellbeing
- create a safe and nurturing environment
- listen to the concerns and ideas of staff

3. To live within our means:

- deliver value for money
- work to eliminate the deficit
- spend every pound wisely
- innovate and educate to save
- secure more investment

4. To work more collaboratively:

- work with others to provide sustainable services
- develop talent for the health community
- use resources in the best way we can

5. To provide strong leadership

- ensure professional standards
- be ambitious and aspirational
- role model values and behaviours
- develop skills and knowledge
- strengthen team working

Box will expand if completed using a computer

**Description of the location**

(The premises and the area around them, access, adaptations, equipment, facilities, suitability for relevant special needs, staffing & qualifications etc)

Based in Grimsby, the Hospital is situated on a single site. Built in 1983, it has undergone considerable expansion since then. Projects completed over recent years have provided a centralised Pharmacy Aseptic Suite, Theatres reconfiguration, relocation of the Medical Engineering Department to the main site, new CT machine, full refurbishment of 2 medical wards, blended oxygen to all the maternity delivery suites and the new build of key worker accommodation comprising of 220 student rooms and self-contained flats. DPoW provides the full range of district general hospital services, including ECC, medicine, surgery and critical care, paediatrics, obstetrics and gynaecology, outpatients, diagnostics and therapy services. The hospital has 415 overnight beds of which 109 are for surgery and critical care patients, 198 are for medical patients, 84 are for women & children's patients. Medical specialties onsite include the introduction of paediatric nurses working in within the emergency department, emergency ambulatory care, frail elderly assessment services, diabetes and endocrinology, cardiology (including angiography, cardiac devices and permanent pacing facilities provided from a purpose build Cardiology Day Case Unit), respiratory medicine, elderly care, dermatology, haematology and gastroenterology, stroke services and rheumatology. Neurology, oncology, outpatient cardiothoracic surgery and plastic surgery and renal medicine are provided by visiting consultants from Hull. Surgical specialties on site include trauma and orthopaedics, anaesthetics, critical care, general surgery, breast services, urology, ophthalmology, ENT and maxillo-facial and orthodontics. The surgical floor of the hospital has a Surgical Assessment Unit with 26 beds and a 6 chaired ambulatory care areas and a Short Stay Ward dedicated to the assessment and care of acute surgical emergency patients. The theatre suite provides 8 fully equipped theatres each with its own anaesthetic room, with two theatres dedicated to orthopaedic use (both with ultra clean air facility). One theatre is dedicated to emergency work, staffed at all times. A separate session for acute trauma cases is reserved each day, including weekends. Women's & Children's services provide maternity services and paediatric services in a custom built building comprising of maternity wards, gynaecology wards, dedicated obstetric theatres within the maternity unit, children's wards and the Child Development Centre. Care throughout the maternity pathway is provided through a pregnancy assessment centre for antenatal and postnatal care. Complementary to this is the community midwifery service we provide. Emergency/acute paediatric services are provided through the dedicated Paediatric Assessment and Observation Unit co-located in A&E. This is supported by a neo-natal intensive care unit and the children's ward, caring for medical and surgical patients. Four designated beds are provided for babies requiring transitional care within the maternity unit. We have a range of outpatient clinics, providing general paediatric clinics to specialist paediatric clinics. The pathway is continued through the delivery of community paediatrics, ensuring children are provided appropriate care at an appropriate setting. All the diagnostic and service departments are based on site including Endoscopy, Radiology with Plain Film, Ultrasound, Nuclear Medicine, CT and MRI. The hospital also hosts the Path Links hub laboratory for Blood Sciences. Community and Therapy services provide a wide range of support for in-patients, out-patients and throughout the community covering physiotherapy, occupational therapy, speech & language therapy, nutrition and dietetics, wheelchair services, orthotics, podiatry, psychology and community dental. Also included is the Assisted Living Centre which is now on site and provides a fully refurbished centre for the assessment and provision of aids and adaptations. A satellite outpatient service in Rehabilitation Medicine is provided from premises in the nearby town of Brigg. Pharmacy services are delivered from an out-patient dispensary (delivered by Lloyds Pharmacy), an in-patient dispensary and a centralised Aseptic Services Unit (serving both DPoWH and SGH). Medicines stocks are received from the centralised pharmacy store on the Scunthorpe site. The Trust medicines information services is also located on the Grimsby site.

<b>No of approved places / overnight beds (not NHS)</b>

<b>Description of the location</b>	
(The premises and the area around them, access, adaptations, equipment, facilities, suitability for relevant special needs, staffing & qualifications etc)	
<p>This is a purpose built community-plus hospital which opened in 1988 and brought together services from a number of scattered sites in and around the town of Goole. Medical Services include general medicine, elderly, cardiology, rheumatology, gastroenterology, dermatology a light treatment service, diabetes and endocrinology, haematology and oncology. Surgical services provided include general surgery, orthopaedics, ophthalmology, ENT, gynaecology, urology and pain services. There is also a surgical day case unit, also used to perform urology endoscopic procedures. Two further main theatres are equipped for major orthopaedic work and other types of surgery. In addition, the site has a well-equipped ophthalmic suite and theatre and an outpatient department. Audiology services are provided by the Clinical Support Services Division. Women's and Children's services provide outpatient consultant led gynaecology clinics, colposcopy services, hysteroscopy services and a purely midwife led 'Home from Home' unit for low risk deliveries. A reduced level of consultant led paediatric outpatient activity happens in Goole, to try and provide care closer to home. Therapy services are provided for both inpatients and outpatients with physiotherapy, occupational therapy, nutrition and dietetics and psychology services. There are two x-ray rooms together with mobile units, and an ultrasound room. The diagnostics department also provides a regular mobile MRI/CT service. The hospital also accommodates a neurological rehabilitation centre - the Goole Neuro Rehab Centre, which is now managed by the Community and Therapies Clinical Division as part of the Trust. Goole hospital also receives an in-patient pharmacy service and out-patient dispensing service from a community pharmacy contractor based within the hospital grounds.</p>

## Part 3

Location(s), and

- the people who use the service there
- their service type(s)
- their regulated activity(ies)

Fill in a separate part 3 for each location

The information below is for location no.:	2	of a total of:	3	locations
--	---	----------------	---	-----------

<b>Name of location</b>	Scunthorpe General Hospital
<b>Address</b>	Cliff Gardens Scunthorpe North Lincolnshire
<b>Postcode</b>	DN15 7BH
<b>Telephone</b>	(01724) 282282
<b>Email</b>	Nlg-tr.enquiries@nhs.net OR w.booth@nhs.net

**Description of the location**

(The premises and the area around them, access, adaptations, equipment, facilities, suitability for relevant special needs, staffing & qualifications etc)

Scunthorpe General Hospital (SGH) was first built in the 1920's and occupies a "land-locked" site surrounded by residential properties. The site has expanded over time with expanded builds attached to original structures. Recent developments completed include further modifications to the Emergency Care Centre providing a separate majors and minor entrance and dedicated childrens area, a new GP/UTC facility, new Endoscopy decontamination suite, Endoscopy Unit and Lower Gastro-intestinal Unit and a new CT machine. Schemes currently under construction or in development include a new Endoscopy Unit and Lower Gastro-intestinal Unit. SGH provides the full range of district general hospital services, including Emergency Care Centre, medicine, surgery and critical care, paediatrics, obstetrics and gynaecology, outpatients, diagnostics and therapy services. The hospital has 386 overnight beds of which 95 are for surgery and critical care patients, 211 are for medical patients with access to escalation beds when required and 80 are for women & children's patients. Medical specialties on site include the introduction of paediatric nurses working within the emergency department, emergency ambulatory care and frail elderly assessment services, diabetes and endocrinology, cardiology (with facilities for cardiac catheterisation and pacing), respiratory medicine, elderly care, dermatology, haematology and gastroenterology, stroke services including Hyperacute, palliative medicine, rheumatology and neurology. Oncology, outpatient Cardiothoracic Surgery, Plastic Surgery and Renal Medicine are provided by visiting consultants from Hull. Surgical specialities on site include trauma and orthopaedics, anaesthetics, critical care, general surgery, breast services, urology, ophthalmology, ENT and maxillo-facial and orthodontics. The hospital is equipped with 5 main theatres, including one theatre dedicated to trauma and orthopaedic use (both with ultra clean air facility). One theatre is dedicated to emergency work, staffed at all times. A separate session for acute trauma cases is reserved each day, including weekends. Women's & Children's services in Scunthorpe General Hospital provide the entire maternity pathway using a more traditional service model comprising antenatal/postnatal clinics, a dedicated Central Delivery Suite and a dedicated obstetric ward. A maternity theatre is provided within the maternity unit. In addition gynaecology is provided through a range of outpatient clinics and an in-patient ward facility. Acute/emergency paediatrics is provided by specialist nurses in A&E in conjunction with doctors. The childrens ward works closely with A&E assessing and receiving medical and surgical patients ensuring the pathway is seamless. An inpatient paediatrics service is provided caring for children aged 0-16 years, supported by a community service. In addition a neonatal intensive care unit is based close to Central Delivery Suite allowing easy access for mum to baby. There are also four transitional care beds managed by the neonatal team. All the diagnostic and service departments are based on site including Endoscopy, Radiology with Plain Film, Ultrasound, CT and MRI. The hospital also hosts the Path Links hub laboratory for Blood Sciences. Community and Therapy services provide a wide range of support for inpatients, outpatients and throughout the community for adults covering nursing, physiotherapy, occupational therapy, speech & language therapy, nutrition and dietetics, wheelchair services, orthotics, podiatry, psychology and community dental. A satellite outpatient service in Rehabilitation Medicine is provided from premises in the nearby town of Brigg. The development of 3 Care Networks, which is being led by North Lincolnshire CCG, is now well established in terms of integrating community health and social care provision for the adult population of North Lincolnshire. The Trust no longer provides the 0-19 service for children of North Lincolnshire after a re-procurement exercise by the commissioner (North Lincs Council). Pharmacy services are delivered from an out-patient dispensary (delivered by Lloyds Pharmacy), an in-patient dispensary and a centralised pharmacy store (receiving the majority of medicines deliveries for the Trust then storing and distributing medicines stocks to all 3 sites). There is a degree of automation with an on-site pharmacy robot.

<b>County</b>	North East Lincolnshire
<b>Post code</b>	DN33 2BA
<b>Business telephone</b>	(01472) 874111 Ext: 304982 or DD: 03033 304982
<b>Manager's email address<sup>1</sup></b>	
w.booth@nhs.net	

<sup>1</sup> Where the manager has agreed to service of notices and other documents by email they will be sent to this email address. This includes draft and final inspection reports on all locations where they manage regulated activities.

Where the manager does not agree to service of notices and other documents by email they will be sent by post to the provider postal business address shown in Part 1 of the statement of purpose. This includes draft and final inspection reports on all locations.

*Please note:* CQC can deem notices sent to manager(s) at the relevant email or postal address for service in this statement of purpose as having been served, as described in Sections 93 and 94 of the Health and Social Care Act 2008. The address supplied must therefore be accurate, up to date, and able to ensure prompt delivery of these important documents to registered managers.

<b>3. Locations managed by the registered manager at 1 above</b>
